CI-115

IP68 Junction Box

No drilling, No modification, Mount at any angle

CI-115 is designed for maximum installation flexibility, supporting a wide range of camera mounting patterns, screw sizes, and cable diameters. Its adaptable design simplifies installation across different camera models.

Certificated: IP68 -- RoHS – IK10

Technical Specifications

Construction	Die-Cast Aluminum Alloy
Coating	White Coat
Weight	620G
Max. Load	10KG
Conduit Hole	3/4"-14 NPT
Salt Spray Resistance	Corrosion-resistant surface treatment
Camera Mounting Compatibility	Universal Mounting Design
Cable Dia.Range	Ø 4.5mm ~ 10mm
Dimension	Ø 151 x 55 mm
Packing	20 PCS/ ctn
